

I do Web and Graphic Design

I've always loved creating, and eventually that passion found itself in the world of graphic design and web development. I love learning new things, and try to learn something new with every project I take on.

I like to code. I can pick up new frameworks, libraries, and languages pretty quickly. I always try to focus on efficiency and accessibility. When I'm not at a computer, I like hiking, volleyball, and playing board games with friends. I also dabble in developing tiny video games and hobby electronics.

School

Visual Communications AA

Planning to graduate December 2018

Whatcom Community College
Bellingham, WA

Software Skills

Adobe Illustrator	Vector illustration and assets
Adobe Photoshop	Photo editing, mockups
Adobe Premiere	Video editing, color grading
Adobe InDesign	Designing for print and ebooks
Adobe Xd	Mockups and prototyping

Web Development Skills

I use whatever is appropriate for the given task, but these are the tools I tend to turn to most.

Languages	Back-end
HTML, CSS, JavaScript, TypeScript, Sass (SCSS), PHP, MySQL, GLSL,	Node.js, Express, WordPress
Pug/Jade, Nunjucks	Front-end
	Vue.js, Three.js/WebGL

Tools

VSCoDe, npm, Gulp, Git, Babel, Webpack, Browsersync

Volunteer Work

SGC Kids Camp Video Editor

Summer 2015 – Present

I help at Slavic Gospel Church's summer kids camps as the main video editor and producer for daily recap videos.

SGC New Years Committee

2015 – Present

I am on the committee in charge of the annual youth New Years celebration. I'm in charge of collecting footage throughout the year and creating an end of year slideshow/video, as well as designing and programming various game shows.

Alderwood Elementary Tech Literacy Club

2016 – 2017 School Year

Guided students in working with digital illustration, visual programming with Scratch, putting together littleBits circuits, and various other things.

SGC Information Committee Leader

March 2018 – Present

I am one of the people in charge of the visual communications group at Slavic Gospel Church, which handles most of the announcements, posters and newsletters as well as the website.

Professional Affiliations

Future Business Leaders of America (FBLA)

Member from 2015 – 2018

Squalicum High School

Awards and Honors

FBLA Coding and Programming

2nd Place at State 2017

Created database management software to handle employees, schedules and some basic analytics for a fictional company.

WA State Seal of Biliteracy

2018

In Russian and English.
